## Performance beyond the ordinary for every office

**The ES6410 stands out from the rest delivering fast, versatile and affordable in-house A4 colour and mono printing for the general office. With class-leading media handling, that allows you to get more from your investment, and environmental benefits, that can reduce your organisations print related carbon footprint, this powerful printer is the ultimate solution for every small to medium business. It effortlessly supports workgroups of up to 10 users.**

If it's ease of use you are looking for the ES6410 has it all. A five-line graphical LCD display makes it intuitive to use and easier to manage. There is no waiting around for documents thanks to the printer's exceptionally fast print speeds of up to 36 pages per minute (ppm) and time to first print in as little as 8 seconds. Long life consumables, generous paper supply, ultra-reliable digital LED technology with fewer moving parts and a flat paper path, all equate to user-intervention being kept to a minimum. The ES6410 will always be up to the task at hand, allowing the workgroup to focus on core business activities.

### Tackle the toughest deadlines

The ES6410 is built for speed making light work of the toughest deadlines.

- Outstanding print speeds of 34ppm in colour and 36ppm in black and white
- Delivering your first print in as little as 9 seconds colour and 8 seconds mono
